## **Curtiss Team Evaluation**

Niki and Dionne:

Lori and I just wanted to take a minute to thank you both for making our new home purchase in Thousand Oaks such a pleasurable experience!

We very much enjoyed your team approach, which meant we always had easy access to at least one of you at any point during the home selection and purchase process. You worked interchangeably and seamlessly to provide us with first class service and responsiveness!

We are thrilled with the home you helped us find and anxiously anticipate moving in a few weeks to begin our new lives in Southern California! Better yet, your assistance in negotiating the deal and navigating the “paper maze” was superb which resulted in a fair transaction for all parties.

I hope we continue to see more of you as we settle in our new community! There’s no question that, should our real estate needs change in the years ahead, The Curtiss Team will be our first choice!

 Thanks again,

Philip R. Keipper
